

Digital Double Cylinder Foot Pump

The Sakura Digital Double Cylinder Foot Pump delivers fast, reliable inflation with a high-pressure digital gauge reading up to 100 psi. Designed for both Presta and Schrader valves, it features an easy thumb-lock connector and a durable 60 cm hose for flexibility and ease of use. The sturdy anti-slip rubber feet and tread plate ensure stability during pumping, while 3 included adaptors make it perfect for inflating bike tyres, sports equipment, and more.

- Presta and Schrader valve compatible
- Easy thumb lock connector
- 0 - 100 psi
- 60 cm hose
- 3 adaptors included
- Anti-slip rubber feet and tread plate
