

Craft Silver & Black

Instantly upgrade your car's look with a fresh, stylish appearance in minutes — without the cost of alloy wheels.

Model Craft features a deep-dish style, specially designed for vans and commercial vehicles, giving them a bold and dynamic look. It fits wheels on which standard passenger car wheel trims might not fit, providing a perfect solution for vehicles with deeper wheel profiles.

- You don't need any tools — simply click them on in a few seconds.
- Wheel covers protect the wheel bolts and rims from dirt, road salt, and corrosion — keeping your car looking new for longer.
- Made from recyclable materials with respect for the environment.
- Our covers meet strict EU safety standards and are approved for road use.
