

Grit Guard

The Sakura Grit Guard efficiently separates dirt and grit from your wash mitt, reducing swirl marks and ensuring a spotless, scratch-free finish every time. Built for durability and performance, it's the perfect companion for car enthusiasts seeking professional-level results at home. Designed to fit standard 10 litre buckets.

- Traps dirt and grit at the bottom of the bucket, preventing scratches and swirl marks.
- Ideal for detailers and car enthusiasts aiming for a streak-free flawless finish.
- Fits standard 10 litre buckets and makes every wash more efficient and mess-free.
