SUPER CHARGE®

Compression Improver for Petrol or Diesel engines

Wynn's New Super Charge® Compression Improver is a new technology oil treatment designed to improve the high temperature oil viscosity, improving engine compression whilst reducing oil consumption and exhaust smoke.

Properties

- ✓ Maintain oil viscosity at high temperatures.
- ✓ Improve and stabilise cylinder compression.
- ✓ Stop excessive oil consumption.
- ✓ Reduce exhaust smoke due to this oil burn.
- ✓ Ensure a strong oil lubrication film.
- ✓ Quietens noisy engines.
- ✓ Extend engine life.

Applications

- ✓ For all petrol, diesel and hybrid engines.
- ✓ Especially recommended for high mileage or worn engines, and those that operate under heavy loads.
- ✓ Compatible with all engine oils
- ✓ Belt in oil (wet belt) safe

Directions

- ✓ Add contents of the can to the engine oil via the oil-filler, then run engine to blend with engine oil and circulate.
- ✓ Add at any time to high mileage or worn engines, or when exhaust smoke or engine noise is noticed.
- ✓ Repeat treatment at every oil change.
- ✓ One 325ml tin treats up to 6 litres of oil.

Due to the versatility of the application possibilities, it is impossible to mention all details and we do not assume any obligations or responsibilities resulting from this. When a new edition appears due to the technical development, the preceding data are no longer valid.

Product specifications

Packaging

- ✓ W51420 – 12 x 325ml – EN_HU_EL_PL_TR_AR
- ✓ W51421 – 12 x 325ml – ES_PT_IT
- ✓ W51422 – 12 x 325ml – FR
- ✓ W51423 – 12 x 325ml – NL_DE_FR
- ✓ W51424 – 12 x 325ml – DE

Note

Wynn's Super Charge® is highly effective, but will not correct mechanical faults.
